

NEWS FROM RICHMOND AND OTHER PARTS OF VIRGINIA.

RICHMOND NEWS
AND GOSSIPThe Trial of Jacobs, of Bogus
Bonds Fame.

A JANITOR VICTIMIZED

Commissioner of Agriculture Has Arranged to Have Virginia Minerals Exhibited at Paris—Inquiries For Copper Lands—Gold Bearing Land Wanted—The Newport News Abattoir—Big Collections.

Richmond, Va., June 21.—Mr. Josiah Ryland, second auditor of State, received a letter to-day from Attorney Tyler, who represents the brokerage firm which recently advanced money on bogus Virginia bonds, stating that he did not think it necessary that the Second Auditor be present to-morrow when the trial of Jacobs, to whom the money was advanced, begins.

The letter stated that Jacobs did not deny having uttered the bonds, but did deny all knowledge of their spuriousness. He has several times used them as collateral. It is not believed at the capitol that Jacobs knew of the bogus character of the bonds.

Walker Howard, the old negro janitor at the capitol, who conducts visitors through the building, detailing the facts and the fiction of history, was recently victimized by the coupons of these bogus bonds. He conducted a party of Boston tourists through the capitol, and when they were leaving, one gentleman gave him coupons for which Walker was informed the State Treasurer would give him \$30. The old negro went over to Treasurer Harman's office in a hurry, thinking he had secured a highly valuable windfall. Mr. Harman told him his coupons were worthless, they having been clipped from the bogus bonds. Walker left Boston with the fixed intention of victimizing him.

There are Virginia bonds of this bogus character outstanding to the amount of about \$400,000. As has been stated, they are the bonds which were engraved in 1883 for the State by the Kendal Bank Note Company, of New York, and were rejected by the Sinking Fund Commissioners. All the rest of the bonds engraved, as well as the plates, were destroyed.

VIRGINIA MINERALS AT PARIS.
The Virginia Commissioner of Agriculture has arranged with the United States Department of Agriculture to exhibit the minerals of this State at the Paris Exposition next year.

Each specimen will bear a card, stating the kind of ore, and the name and address of the owner of the land where found. Commissioner Kolner has already opened correspondence with the owners of mineral deposits with a view to obtaining an exhibit from this State representative of the wealth hidden in her bosom.

INQUIRIES FOR COPPER LANDS.
Commissioner Kolner received a letter to-day from a syndicate of New York capitalists asking if there could be secured in this State lands containing copper deposits. The writer seemed to be very anxious to obtain Virginia copper mines.

GOLD WANTED.
Mr. Kolner also received a letter from a Baltimore company inquiring as to gold deposits in this State, and asking if the land could be obtained at a figure which would justify its purchase. Mr. Kolner will make inquiries concerning the subject matter of each letter before replying.

CAPITOL NOTES.
An application has been made to the Governor for permission to organize a troop of cavalry at Amelia Court House.

Among the callers at the Governor's office were ex-Senator Peter Warwick, of Chesterfield, and Mr. George Linder, of Norfolk county, one of the committee clerks in the House last session. Commissioner W. H. Milton, of Florida, has written to Governor Tyler asking for full information concerning the State Reformatory at Laurel, Florida, has just recently started a similar institution, and the management is anxious to obtain all the information possible concerning the operation of the Virginia Reformatory.

THE NEWPORT NEWS ABATTOIR.
Mr. Allan Crutchfield, financial agent of the Newport News Abattoir Company, said this morning the plant would be in operation by the 1st of October. The concern expects to compete actively with the Armour, Swifts and Cudahy. Mr. Crutchfield says it will be the largest abattoir east of Chicago, and will give the consumers of the East exceptional advantages. The same freight rates now given to Western packers have been guaranteed for ten years. Another advantage is the saving in ice, meat coming from the West having to be re-iced four or five times. The Newport News company expects to go into the West Indian and foreign trade also. It is stated that 10,000 or 11,000 car loads of cattle annually go West from Virginia, North Carolina and Tennessee, much of which would bring better prices if a market is afforded nearer home.

BIG REVENUE COLLECTIONS.
The collections of the Internal Revenue Bureau in Richmond for the fiscal year which ends next week will go over \$3,500,000, over a million in excess of last year. One of the local officials of a statistical turn figures it out that twenty box cars, having a capacity of 20,000 pounds each, would be necessary to carry this money to Washington if it was sent in silver dollars.

TOWN OF SUFFOLK

Marriage of Miss Beale to Mr. Veach.

Many June Marriages to and Around the City—A Delightful Excursion and Picnic—Death of an Octogenarian—Talk to Women.

(Special to Virginian-Pilot.)
Suffolk, Va., June 21.—At the bride's home, on Washington square, Miss Virginia Pearl Beale this afternoon became the wife of Mr. Lemuel Harrison (Harry) Veach, of Norfolk. The ceremony was done by Dr. W. W. Staley, of the Christian Church. The parlor of the Beale house was prettily decorated with palms and ferns and potted plants.

The bride was gowned in handsome foulard silk, trimmed with cut taffeta and velvet. Her traveling suit was of elegant venetian cloth, lined with crimson taffeta. The buttons were pearl.

It was a quiet but lovely home marriage. There were no attendants, and there had been no invitations issued.

Miss Jamie Carr played the wedding marches—Lohengrin's bridal chorus at the entrance, Schubert's serenade during the ceremony, and a waltz wedding march at the exit. The ring wasn't used.

Mr. and Mrs. Veach left via the Atlantic and Danville for Baltimore and Washington. Friday night there will be a reception at the groom's one time home in Strasburg, Va. Afterwards they will visit several northern cities. When the honeymoon's over, they will board with Mrs. Jesse Brinkley, on Bute street, Norfolk. They have a lot of pretty and useful presents.

Among out-of-town people who attended the marriage were: Mrs. J. F. West, Helen and Rosser West, Waverly; Mrs. M. B. Ames, Lower Parish; Mr. Edwin C. Beale, Waverly. The bride is the youngest daughter of the late Rev. Edwin W. Beale, a prominent minister of the Christian Church. She is a popular young lady, and a former student of Elon College, North Carolina.

The groom is well known in Norfolk. BRITTINGHAM—RIDDICK.

The home of Judge Wilbur J. Kilby, at 95 Main street, was the place of a beautiful marriage ceremony at 4 o'clock this afternoon. The principals were Miss Elizabeth Powell Riddick and Mr. Henry Edward Brittingham. Rev. James C. Reed, of Manchester, Va., former presiding elder in this district, said the official words.

The marriage took place between the double parlor, which had been tastefully decorated with palms, ferns and other plants. It was a white and green wedding. Miss George Crum presided artistically at the organ, rendering the familiar strains of Mendelssohn's as the bridal party came in.

They entered this way. The bride's brother, Mr. Harry Riddick, came with the groom's brother and best man, Mr. E. F. Brittingham, of New York City. They were followed by Messrs. Wallace R. and Bradford Kilby, who, with Mr. Riddick, were the ushers. There were no other attendants. The bride and groom, who had met on a second floor landing, came in together. The marriage was performed while the attendants stood in a circle. A ring service was used.

TASTEFULLY ATTIRED.
The bride was dressed in a fetching creation of white organdie appliqued with white ribbon. She wore orange blossoms in her hair, and carried bride roses. The gloves were white. The going away gown was an imported tailor-made suit of light broadcloth, trimmed with gray ribbons.

After the ceremony a wedding dinner was served. There were many pretty presents.

Mr. and Mrs. Brittingham left over the Seaboard Air Line for Westfield, N. J., the groom's former home, where they will carry some days before visiting summer resorts and large Northern cities. They will come back in two or three weeks, and stop at Whaleyville, their future residence.

Among people from a distance who saw the marriage, was Miss Kate Brittingham, of Westfield, N. J., a sister of the groom.

The bride is a daughter of the late Richard T. Riddick and is a lovable and attractive young lady. The groom is a mechanical engineer, employed by the Jackson Bros. Company, Whaleyville. He is much liked.

MATTHEWS-CRUMPLER.

There was a pretty county marriage this evening near Chuckatuck. The persons to the contract were Miss Lillie Eva Crumpler, daughter of Julius B. Crumpler, and Mr. Willie Christopher Matthews, Rev. H. H. Butler, of Suffolk, performed the ceremony.

EDWARDS-DONNAN.
Mr. R. M. Edwards, commissioner of revenue in Southampton county, was this afternoon, at 6:30, wedded to Miss Lillie Donnau, of Petersburg, in the latter city.

Among the persons from Southampton who went up to attend the event were Lieutenant Colonel Luther R. Edwards, of Franklin, a relative of the groom, and County Sheriff Julius W. Williams, of Courtland.

Both persons are very popular. They will reside after the honeymoon in Southampton county, at Bower's.

YOUNG ARTISTS' OUTING.

The members of "A Merry Company," mostly children and young ladies, had a delightful free excursion and picnic to-day at Montrose, N. C. It was under the personal direction of Superintendent H. P. Brooks, of the Suffolk and Carolina, who won many thanks for the pleasant things he did for the party's pleasure and comfort. There were about 85 young opera singers and their friends who went.

At Montrose the excursionists went fishing, bathing and sailing, and enjoyed themselves greatly.

On the return trip the excursionists sent up cheers for Captain Brooks and Miss Daley Nurney, who directed the opera.

While at Montrose the sailing parties were entertained by Henry Hudson, Esq., a member of a New York artillery company, who told them of personal experiences around Santiago.

OCTOGENARIAN'S DEATH.

Mr. William S. Raby, after a brief illness, died to-day at Beaman, Va., aged 80 years. He was connected with the Seaboard Air Line signal service at that point. The funeral will take place at 4 o'clock to-morrow afternoon from Nansemond Baptist Church. Rev. J.

F. Love, of Suffolk, will preach it. The deceased leaves one son, Mr. Charles Raby, of Nansemond. His wife, who was a widow of a brother, has been dead many years.

TO WOMEN ONLY.

There'll be a free talk to women Friday evening in public school building No. 1, by Miss A. Cornwall, of Tacoma, Wash. The topic is, "Woman; Her Influence and Future Progress." Men and young girls will not be admitted.

BIRTHDAY RECEPTION.

There was a pleasant birthday party at the home of Mr. and Mrs. Townsend W. Artman, in West End, last night. The reception was given to their two youngest children. A big crowd of young people enjoyed the occasion.

SHORT NOTES.

Contractor John P. Cowling to-day finished building the bridge over Co-hoon's Creek.

Attention is called to the advertisement of a bright stenographer and typewriter on page 2.

Mrs. John F. Lotz returned to-day from Norfolk, where she had been with her son, John, who is at a hospital. John is improving.

Mrs. George Brown has finished a visit to Petersburg.

Miss Barker, a teacher in Franklin Female Seminary, left to-day for her home in Amherst county, Va. She was accompanied by Miss Annie Gay, an associate teacher.

Mr. and Mrs. J. E. Saunders, of Norfolk, have concluded a visit to the latter's parents, Mr. and Mrs. James Blanchard, in Suffolk.

NEWPORT NEWS.

ARRANGEMENTS FOR LAUNCHING SATURDAY—NEW CLUB.

Newport News, Va., June 21.—Most of the preparations for Saturday's double launching at the shipyard have been completed, and when the hour set for the first ship to leave the ways arrives everything will be in readiness for another successful launching by the Newport News Shipbuilding and Dry Dock Company.

The large steamship El Rio, for the Morgan Line, will go down the ways first and half an hour later the steel tug for the Morgan Line will be launched. Miss Miriam L. Post, of Albany, N. Y., sister of General Superintendent W. A. Post, will christen El Rio, and Miss Mamie Rowbottom, of this city, daughter of Mr. James F. Rowbottom, superintendent of the machine department, will christen El Amigo.

El Rio is further advanced than either El Norte or El Sud, also for the Morgan Line, when they were launched. Work on the ship has been rushed and when she goes into the water Saturday she will require but a few weeks for finishing touches before she is ready for service between New Orleans and New York. El Rio has been painted black, the color she will wear in service, and near the top is a white stripe all the way around the ship. The other liners were gray when launched. El Amigo still carries her coat of red, the first to be put on steel, but she will be painted black before Saturday.

NEW DEMOCRATIC CLUB.

About forty well-known young men met last night at Moss' Hall and formed the "Young Men's Democratic Club." Mr. G. Edmund Waddill acted as temporary chairman. Steps were taken to make the organization permanent, and a committee on Organization to report at the next meeting was appointed as follows: J. Bernard Clinch, Robert B. Piney, N. A. Rector, O. F. Shield, E. B. Shield, I. T. Cheatham, J. W. Finkle and G. Edmund Waddill.

The next meeting will be held at Moss' Hall next Monday night.

LEXINGTON.

FIRE AT INSTITUTE—EMERITUS PROFESSOR—CALLED TO TEXAS.

(Special to Virginian-Pilot.)

Lexington, Va., June 21.—A fire was started this afternoon at the residence of General Scott Shipp, at the Virginia Military Institute, and but for the prompt response of the Lexington volunteer fire department serious damage would have resulted.

A waste basket, into which a lighted match had been dropped, was thrown on the roof of a porch, which caught through the metal roof.

The corps of cadets were just about to be reviewed by the alumni when the alarm was given.

EMERITUS PROFESSOR.

Colonel John M. Brooke has been made emeritus professor of physics and Major Francis Mallory has been elected to the chair of physics with the rank of colonel.

General Shipp held a reception to-night at his residence for the alumni and Board of Visitors.

CALLED TO TEXAS.

Prof. E. W. Fay, of Washington and Lee University, has accepted the professorship of the Latin department in the University of Texas.
